American Cancer Society

Transportation:

- Due to public safety concerns related to COVID-19, your American Cancer Society is not currently setting up or coordinating patient rides to cancer-related appointments.
- For other American Cancer Society support, please call the Cancer Helpline at (800) 227-2345

- Each Hope Lodge offers cancer patients and their caregivers a free place to stay when their best hope for effective treatment may be in another city.
- Hope Lodge provides a nurturing, home-like environment where guests can retreat to private rooms or connect with others. Every Hope Lodge also offers a variety of resources and information about cancer and how best to fight the disease

Lodging:

- In response to the COVID-19 pandemic, ACS suspended Hope Lodge operations on March 27, 2020, because we could no longer ensure the health and safety of our immune-compromised cancer patient residents, volunteers, and staff.
- Rides Saves Lives: Transportation shouldn't be a roadblock to cancer treatment. We have several transportation assistance programs all across the country and can connect you to the best option for your situation.
- Road to Recovery Eligibility: Depending on your individual needs and what's available in your area, we may be able to coordinate a ride with an American Cancer Society volunteer driver. Patients must be traveling to a cancer-related medical appointment.
- Other eligibility requirements may apply. For example, a caregiver may need to accompany a patient who cannot walk without help, or is under age 18. Contact us to find out what is available in your area, and what the specific requirements are.
- It can take several business days to coordinate your ride, so please call us at 1-800-227-2345 well in advance of your appointment date.
- If you have any additional questions regarding the Hope Lodge operation, please call (800)-227-2345 or visit the American Cancer Society website at <https://www.cancer.org/treatment/support-programs-and-services/patient-lodging/hope-lodge/new-orleans/staying-with-us.html>.

Wright Pink Ribbon Project

- Collaborative effort of Multi-Cultural Developmental Center and Stonewall Missionary Baptist Church. Named in honor of 9 year breast cancer survivor Catherine A. Wright. Aimed to help breast cancer survivors across Boisser and Caddo Parishes. Meant to provide access to resources pertinent to overall health, mental, and emotional care. Offer an array of support and information services that can be found on their website at cwrightproject.org
- In addition to this form, anyone who wishes to receive aid from the project will be required to provide the following documents:
- Letter from oncologist/licensed social worker/case worker on letterhead verifying current diagnosis and treatment plan, copy of driver’s license or valid state ID card, most recent pay-stub, copy of all bills you wish to be considered for payment.
- Documents need to be faxed to 318-747-3862 or emailed to cwrightproject@yahoo.com
- Contact: Catherine Wright
- Application for Assistance Required: cwrightproject.org/application

FORCE (Facing Our Risk of Cancer Empowered)

- Helpline: 1-866-288-RISK (7475) for general peer support for people concerned about hereditary cancer. All calls are confidential. Call anytime and leave your name & number.
- Peer volunteer will return call within 48 hours and provide nonjudgmental support and resources. Volunteers however do not offer personal or medical advice.
- Looking to speak with someone who shares similar experience? Receive personalized support by getting matched for peer navigation. Peer navigator will call and provide you with a free resource guide created just for you here: <https://www.facingourrisk.org/get-support/PNP/index.php>.
- The resource guide will feature information concerning hereditary cancer, cancer treatment, cancer risk management, risk management for men, quality of life, and support & research.
- Speak with a board-certified genetic counselor by telephone: FORCE collaborating w/ InformedDNA to provide access to board-certified genetic counselors. Call: 1-866-288-RISK (7475), extension 704. A genetic counselor from InformedDNA will return your call within 48 hours.
